STUDENT DELEGATE TO NEA-RA

The Arizona Education Association's student members of the National Education Association-Student Program (NEA-SP) will elect one delegate to the National Education Association Representative Assembly. Delegate entitlement will be determined by membership as of March 15, 2012. At that time, the Arizona Education Association's Elections Committee will proceed with the nomination and election processes to elect Arizona's Student Delegate.

Be part of the largest democratic body in the world!

Be a Delegate to the 2012 NEA-RA

Nearly 150 AEA members become a part of the world's largest deliberative body—10,000 strong—when they are elected by their colleagues to represent them at the NEA Representative Assembly each year. The NEA-RA is the governing body of the 3.2 million members of NEA. The 2012 meeting, to be held June 30 – July 5, 2012 in Washington, DC, sets objectives, passes a budget, determines direction and votes on guiding principles for the Association, the largest professional organization and union in the country.

You can be part of this exciting process by running as an AEA statewide delegate; regional delegate; retired delegate; or as a delegate representing your local association. Nominate yourself to be a statewide, regional, or retired delegate by completing the form on page 29. To run as a candidate representing your local,

contact your local president. Local elections are usually held in the early spring, but vary from local to local.

AEA-Retired members may be eligible for up to three delegates, depending on the January 15 membership figures.

AEA is allotted a certain number of delegate positions based on the size of statewide membership. NEA-AEA Active members **will** vote for up to four Statewide Delegates and 14 Regional Delegates depending on the January 15, 2012 membership figures. In the event a candidate is elected to both a regional and statewide position, he or she must declare within ten days of official notification which position the candidate will accept. If a delegate fails to respond within ten days of the date of the official notification, he or she will be declared elected as a regional delegate.

Nominees must complete the Delegate Nomination Form on page 29 and must submit it on or before 5 PM on January 13, 2012. Forms may be submitted via mail, hand delivery, fax, or email. Please see the instructions on page 29. ➔

REGIONAL DELEGATES:
Please look for your local association's name and the corresponding Election District (A through N) before completing your nomination form.

AEA strongly encourages our ethnic minority members to nominate themselves as a candidate for a statewide and/or regional NEA-RA delegate position.
