The Invest in Education Act is expected to raise $940 million annually for K-12 education. Education advocates and business leaders wrote the initiative to ensure money will be spent in the classrooms – where it’s most needed.

Requires 50% to be spent to hire and increase the base compensation for teachers AND classroom support personnel (e.g., nurses, counselors.)

Requires 25% of funds to be spent to hire and increase base compensation for student support services personnel (e.g., classroom aides, school safety, student transportation.)

Requires 3% of funding be given to the Arizona Teachers Academy to increase scholarship amounts.

12% of funding dedicated to Career & Technical Education (CTE) and vocational training programs.

Requires 10% to be spent on mentoring and retention programs for new classroom teachers.

Paid for by Invest in Education. Not authorized by any candidate.
