AN INVITATION TO JOIN THE AEA

The **Arizona Education Association** believes that strong public schools create strong communities. One of our core values is Learning as a Community Commitment. As a community member you can become a supporter of your public school and further the cause of public education by joining the AEA.

## Why Join the AEA?

AEA is the largest professional association in Arizona and the voice of teachers and education support professionals across the state. Our members are dedicated to our mission of Keeping the Promise of Quality Public Education.

## Who Is Eligible for AEA Associate Membership?

Associate Membership in the AEA is open to any person who is interested in advancing the cause of public education, but who is not eligible for any other category of membership.

## What Benefits Do I Get?

As an Associate member you would receive many of the same benefits that other AEA members receive, including the AEA Advocate magazine, and access to the members-only section of the AEA website. Associate members are also able to receive information about AEA recommendations on candidates for political office, which are legally inaccessible by non-members. Associate members may not vote or hold elective or appointive positions in the Association.

## How Much Does It Cost?

Annual Associate member dues are \$48. AEA dues are determined by the AEA Delegate Assembly. There is no Associate category for the National Education Association.
